

HEART OF THE CITY CONFERENCE
CONFÉRENCE COEUR DE LA VILLE
MONTREAL JUNE / JUIN 12-14, 2019

The Heart of the City Conference will bring together park people across Canada for two days of talks, tours, workshops and networking.

Here's why you should attend:

What people said about our 2017 Heart of the City conference in Calgary:

98% said their personal network of city park people was strengthened by attending

“ The networking opportunities were fantastic. The cross section of people invited resulted in really engaging discussions and a lot of knowledge/idea sharing. ”

94% rated the conference excellent

“ I think the success of this conference was due to superb planning but also to the holistic approach that focused on the environmental, social and health benefits of parks. ”

Learn

Hear from inspiring leaders and colleagues across Canada about how they are re-imagining and enhancing city parks.

Participate

Engage in practical, hands-on sessions, workshops and tours fostering dialogue about park planning, design, programming and partnerships.

Connect

Network with a wide range of park people from your own city and across the country, including park professionals and planners, advocates, and community organizations.

Innovate

Explore some of Montreal's newest and most innovative public spaces and learn about cutting edge best-practices in partnerships, programming, funding and design.

Recharge

Return inspired with new sets of tools, ideas, resources, and connections to support you in your on-going work.

“ This conference fills a void when it comes to networking and the exchange of best practices between professionals responsible for the financing, development, animation and preservation of parks. ”
